

# School Tours at the Akron Art Museum

**AAM Social Stories**

Today my classmates, teachers, and I will be going to the Akron Art Museum!

We will all take the school bus to the Museum.

When we arrive, we will be greeted at the door by a gallery teacher.

The gallery teacher will show us where to go as we enter the lobby of the Museum.

We will listen to the Museum rules and be put into small groups.

Sloane

Teresa

Sekoya

Jasmine

Dali

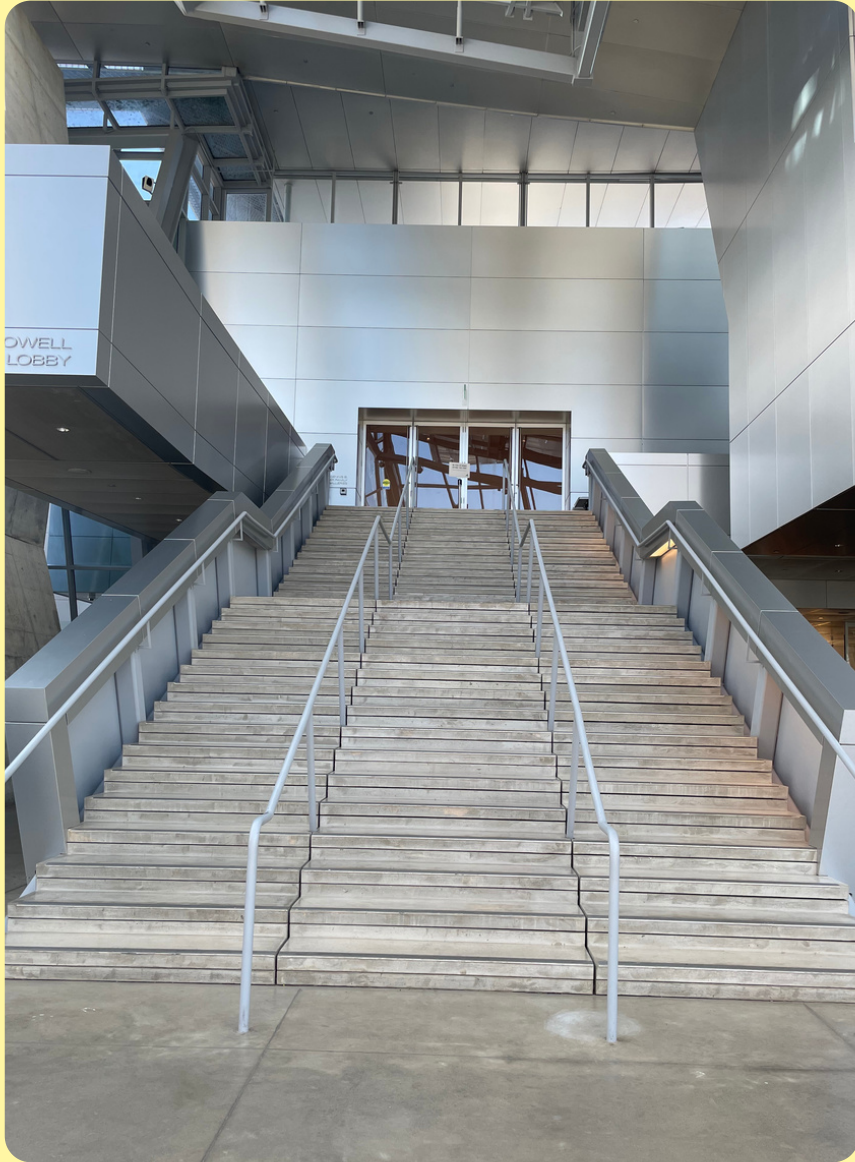

Kit

Each group will have their own  
gallery teacher for the day.

My group will go up the big staircase or use the elevator to get to the galleries.

When entering the galleries, we will see so many different kinds of art like paintings, sculptures, prints, and drawings.

While in the galleries, we will stick together as we learn about some artworks & do fun, interactive activities based on them.

We will sit on the floor as we chat and play.

We will explore as many artworks as we can before we need to return to school.

When it is time to leave, we will thank our gallery teachers and head back to the school bus.

# THANK YOU FOR VISITING!
